## CHILD DROWNS WEDNESDAY IN SEPTIC TANK

Joseph Henry Monn, aged two years, son of Mr. and Mrs. Clyde Monn Jr., Gettysburg R. D., Fairfield Rd., drowned about noon Wednesday in a septic tank in a neighbor's yard.

The youngster, one of 11 children of Mr. and Mrs. Monn, had been dressed in preparation for a visit to Gettysburg to see the Memorial Day parade and festivities. He went out in the yard while the other children were being dressed, and when the family was ready to go to town was missing. A search was made and the child was found in the septic tank on the property of Mr. and Mrs. Robert E. Plank.

Removed from the tank, the child was rushed to the Warner Hospital, but Dr. C. G. Crist, Adams County coroner, said the death had occurred prior to arrival at the hospital.

### CONCRETE COVER DUE

State police, joining Dr. Crist in the investigation, said the child had apparently tilted a plywood covering and fallen into the tank. The plywood was to have been replaced after the Memorial Day holiday with a concrete slab.

Surviving the child are his parents, Mr. and Mrs. Clyde Monn Jr.; these brothers and sisters: Sharon, Clyde III, David, Larry, Carol, Marianne, Robert, Jeffrey, Barbara and Lori, all at home, and grandparents, Mr. and Mrs. Frank Fissel, Gettysburg, and Clyde Monn Sr., Morgantown, N. C.

Funeral services Saturday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Harold Myers officiating. Interment in Evergreen Cemetery. Friends may call at the funeral home Friday evening from 7 to 9 o'clock.

## Pupils Send Pennies Here To Save Field

The Gettysburg Battlefield Preservation Association today received \$132, a donation from the East Elementary School of Littleton, Colo.

Accompanying the donation was a clipping from the Denver Post showing a picture of the teacher, Mrs. Emma Lou Wilson, and youngsters of the school tabulating the \$132 they raised to help buy land at Gettysburg.

The accompanying story, by Dick Thomas, Denver Post staff writer, states in part: "Sixth Graders at Littleton's East Elementary School last week raised \$132 for the Gettysburg Battlefield Preservation Assn. to help the famous Civil War site."

"The class project was inspired by an editorial in The Denver Post, April 3."

### RAISED THE MONEY

The article relates that efforts are being made to purchase an additional 700 acres of land to add to the federal government's holdings here to prevent their being "lost" to commercial or housing development, and adds:

"The 93 Sixth Graders at East so far have held two bake sales, two book sales and a popcorn sale to raise money for the project. Still in the planning stage is a class variety show at the school May 31. No admission will be charged but the children will accept contributions toward their project."

"Sixth Grade teachers at East School are: Mrs. Emma Lou Wilson, Miss Mary Kay Payne and Gerald Boh. It was Mrs. Wilson who first saw the Post editorial and clipped it to show the children."

"With the Sixth Graders money-raising project, the Fifth Graders set up a Gettysburg battlefield display in a front hall at the school. It contains text and photographs clipped from a national magazine that recently ran a series on the Civil War, replicas of Confederate and Union battle flags and a scroll telling of the Sixth Graders' project."

## NEW OXFORD'S MEMORIAL DAY SERVICES HELD

"Freedom is not a law of nature. We can not take it for granted. Either it will be preserved and extended or it will finally wither and die." Lt. Col. Donald S. Bussye of the Army War College, Carlisle, said Wednesday evening at Memorial Day exercise in New Oxford.

The program included a parade through the community and memorial rites at the town's two cemeteries prior to the speaking program at the Sons of Union Veterans Armory property.

"As we look upon the contemporary world," Colonel Bussye continued "we cannot avoid the conclusion that the frontiers of freedom are everywhere under severe attack."

"The goal of universal freedom is anything but certain. What is to be done about it? Clearly there is no easy answer." Recalling the sacrifices of the men who had fought the nation's wars, he concluded by noting, "President Kennedy in his inaugural address summed up what best we can do — 'ask not what your country can do for you — but what you can do for your country.'"

Joseph I. Weaver was chief marshal for the parade which included the New Oxford High School Band, parochial and public school children, Girl Scouts, Boy Scouts, firemen, Brodbeck's Band, East Berlin VFW members, Fairfield Amvets, Sons of Veterans Reserves and others.

The Sons of Union Veterans provided the military rites at the cemeteries and Armory. John Kaiser, a World War I veteran, officiated at the flag lowering ceremonies which concluded the services. County Superintendent of Schools C. P. Keefer was the presiding officer. Rev. John Kugle, pastor of First Lutheran Church gave the invocation and benediction. The Brodbeck's band provided the music.

## Leper Colony Attacked By Red Guerrilla Band

By MALCOLM W. BROWNE

SAIGON, South Viet Nam (AP) — A Communist guerrilla band attacked a leper colony in a remote region 150 miles northeast of Saigon Wednesday night and kidnapped three American missionaries.

The U.S. Embassy spokesman said another American missionary managed to reach the town of Ban Me Thuot, eight miles away, and gave the alarm.

Units of the Vietnamese army were sent to look for the kidnapers.

The three missionaries were members of the Christian and Missionary Alliance. The Rev. Thomas G. Mangham, director of the alliance, identified them as: A. E. Mitchell of Bly, Ore.; Daniel Gerber of Pennsylvania, hometown unavailable; and

## Memorial Day Speaker Says Lincoln's Great Unfinished Task Remains

"Lincoln's 'great unfinished task' is more difficult today, because it is now global. But we must rededicate ourselves to that task if the responsibilities for which these men gave their lives are to be met," Maj. Gen. Stanley E. Larsen, commanding general of the XXI Corps, said Wednesday afternoon at the 95th annual memorial services in the National Cemetery here.

The talk by General Larsen was given at the rostrum program which concluded an afternoon of memorial activities which were generally described by the more than 12,000 who witnessed them as "the finest in years."

The weather, which had threatened in the morning, cleared at noon and the exercises were held under bright sunlight and with 80-degree temperatures.

## PAY TRIBUTE TO IRISH AT SERVICE HERE

"We are not here as Irishmen, but as Americans. But we are proud of the part the Irish played in making ours a great nation," Jeremiah O'Callaghan, of New York City, past national president of the Ancient Order of Hibernians, said Wednesday afternoon at exercises held at the Irish Brigade monument on the battlefield.

O'Callaghan and Regis Mahady, Latrobe, national director of the Ancient Order of Hibernians, were the speakers at the fourth annual memorial services held here by the Irish Brigade Memorial Association at the 69th Pennsylvania monument at the High Water Mark, at the Fr. Corby statue, at the Irish Brigade monument and the 116th Pennsylvania monument on "the loop."

Holding that "one-third of the men who served with the armies in the Civil War were sons or grandsons of Ireland," O'Callaghan said, "Whole regiments of Irishmen signed up to fight the war and the Irish have fought for the nation throughout all of its wars. We can be proud of the record that has been set by the sons of Ireland, and we can be proud of their contribution to our nation. But there is one more thing to be done. We must be sure that we can be proud of our contribution to America, that it is the equal or better than the contribution made by our ancestors."

### PRaise FOR IRISH

"If it were not for the Irish, Catholicism would be much less strong than it is in America today. We feel that were it not for the Irish the spiritual background of America would be less today. We read in Life magazine a few weeks ago that students of our universities held in large numbers that they have no spiritual values, no goal in life. This is not true in the colleges where the Irish have control. There the spiritual values are still basic and taught as they have always been taught."

"When it came time for the Second Corps to join the fight on July 2, 1863, it was the Irish Brigade that General Hancock sent to the Third Corps' aid. They were going into the battle in its middle and he knew they would do the job assigned them. When Father Corby stepped to the rock and gave absolution to the men of the Irish Brigade, 90 per cent Roman Catholic, General Hancock marveled at the sight, Father Corby told them he was giving them general absolution."

(Continued On Page 2)

General Larsen, accompanied by Capt. Robert W. Black, commanding officer of the local Army Reserve unit, and officers of the Battle Group of which it is a part, reviewed both the honor guard and file and drum corps and praised both units.

### NEW BAND UNIFORMS

The first division of the parade contained Chief Marshal LeRoy M. Winebrenner, taking part in his 36th Memorial Day parade here and mounted aides, more than 1,000 school children, the Senior and Junior High Bands, the Bermudian Springs Band and Boy Scouts and Girl Scouts. There were numerous comments from the crowd concerning the appearance of the Senior High School Band for the first time in its new Civil War-type costumes. The uniforms, flown here from New Jersey, arrived Saturday. The Band Parents are still seeking

## Stocks Rise With Wave Of Buying Today

NEW YORK (AP)—A buying wave poured over the stock market today, pushing prices higher with a great burst that more than erased the 1929-like plunge early this week.

Evidence that institutional buyers were playing a prominent role came from the size of some big transactions in early trading.

Some prices were a little under their early levels, however. The Standard & Poor index of 500 stocks had risen 1.46 at 11 a.m. to 39.54, higher than last Friday's 39.47 close.

### FRANTIC ACTIVITY

At the same time the Dow Jones average of 30 industrials was ahead 9.03 to 612.99. With the excited buying the ticker tape ran 24 minutes behind actual transaction, suggesting another day of frantic activity. Transactions in the first hour totaled 1,760,000 shares, almost as heavy as during the period of selling Monday.

Key stocks jumped \$3 or more, with American Telephone and Telegraph — the nation's most widely held stock — gaining \$3.50 to \$112 after sales including one block of 100,000 shares, one of the largest single transactions in stock market history.

### FLOOD OF BIG ORDERS

Chrysler gained \$2.25 to \$45.25. Du Pont was up \$2.12 to \$211 and Boeing gained \$3.25 to \$44.12.

Brokers had been engulfed at the opening with buy orders that one large firm said were running about three to one over sell orders.

Brokers said orders were pouring in from foreign investors after the Memorial Day holiday that closed the American markets while foreign exchanges stayed open.

Three other foreign missionaries — an American, an Australian and a Norwegian — were detained for a few hours in the same general area several weeks ago by the Viet Cong, but were released after a Communist lecture.

# EICHMANN IS SEEKING HELP

JERUSALEM (AP) — Adolf Eichmann is seeking United Nations and West German help to save him from an Israeli gallows. Sources said Eichmann pleaded with his defense counsel, Dr. Robert Servatius to petition the United Nations and Bonn to intervene on his behalf. Servatius said he would, but cautioned the former Gestapo colonel that he might be executed before either body could act.

Eichmann reportedly replied that he would rather be executed than spend the rest of his life in prison. Nevertheless, he agreed to write an appeal for clemency to Israeli President Izhak Ben-Zvi.

The appeal was the last course open to Eichmann in Israel following the Supreme Court's affirmation Tuesday of the death sentence imposed on Eichmann last December for his part in the Nazi slaughter of 6 million European Jews.

# 195 Died

(Continued From Page 1)

California and New York had the largest state totals.

The National Safety Council, in a pre-holiday statement did not estimate a specific number of deaths for the midweek holiday. It said that between 80 and 120 persons could be killed in traffic accidents during the 30-hour holiday period.

# 30-HOUR PERIOD

Traffic deaths in the first four months this year totaled 11,300, an average of 96 for a 24-hour period or 124 in a 30-hour period. These figures, however, included many deaths that occurred long after the victims were injured. The holiday count included only deaths during the 30-hour period.

Earlier this month an Associated Press survey of a midweek period of 30 hours showed 69 traffic deaths, 4 in boating accidents, 22 drownings not involving boats and 20 in miscellaneous mishaps for a total of 115.

The 1961 Memorial Day observance covered four days and the traffic death toll was a record 462. Other violent deaths included 40 in boating accidents, 63 by drowning and 118 in miscellaneous mishaps for a record over-all total of 683 for any Memorial Day period.

# ROSARY IN GAELIC

"This portion of the Irish Brigade we honor at this Celtic Cross numbered 1,000 men when the war started. It was able to muster only 250 at Gettysburg. Of the other 750 all were wounded and 90 per cent were dead, dead for their country's sake."

Mahady, at the 69th Pennsylvania Monument, described the High Water Mark as the "most violent struggle in our history" and observed "while it is well to praise our dead, it is also most important to say, 'What can we do for America today?'"

The Commodore Barry Flute Band and Hibernia Guards Color Guard provided the music and military aspect, Thomas McGuigan was master of ceremonies. Brother Zacharias led the group in the recitation of the Rosary in Gaelic at the various services.

# REP. BOYKIN LOSES OUT IN ALA. PRIMARY

By THE ASSOCIATED PRESS

Alabama Democrats have rejected a bid by Rep. Frank W. Boykin, 77, dean of the state's House delegation, for a 15th term in Congress.

The mobile businessman's attempt to extend his 28-year career in the House was crushed Tuesday when voters ranked him ninth in a unique low-man-out race for eight available House seats.

Boykin accepted defeat gracefully.

# ACCEPTS DECISION

"While I regret for the sake of the people of this district that our efforts were not successful I accept the decision that has been made by the voters," he said.

The 1960 census had reduced Alabama's congressional delegation by one. When the State Legislature failed to agree on a redistricting plan all nine Democratic congressmen fought it out in the congressional elimination.

In Alabama's runoff Democratic primary for the gubernatorial nomination one segregationist beat another when George C. Wallace outpointed Ryan deGraffenried. This just about spelled election for Wallace in the overwhelmingly Democratic state.

# MORTON WINS

In Kentucky, Republicans nominated Sen. Thruston Morton for a second term, while Democrats selected Lt. Gov. Wilson Wyatt, federal housing administrator in the Truman administration, as his opponent in the fall.

Morton, former GOP national chairman, announced former President Dwight D. Eisenhower had agreed to campaign for him and Wyatt said he would invite President Kennedy to help him.

Seven Kentucky House members, including one Republican, won renomination by wide margins. The state's delegation also has been reduced by one but Rep. Brent Spence, who is 87, chose not to seek re-election.

In Florida, Democrats and Republicans picked nominees for the state's four new congressional seats. Only one candidate, State Rep. L. B. Vocelle, went all out in support of Kennedy and he was beaten by fellow Democrat John A. Sutton.

# TO CALL MORE WITNESSES IN TEXAS PROBE

By JERRY PILLARD

FRANKLIN, Tex. (AP) — Court aides prepared to call more witnesses today for a county grand jury investigation of the mysterious shooting of Henry H. Marshall, one of the first Agriculture Department officials to question activities of Billie Sol Estes.

Dist. Atty. Bryan Russ said a pathologist wanted to make additional laboratory tests, meanwhile, on the disinterred remains.

The grand jurors recessed Wednesday. They will reconvene Monday.

Russ said persons who have not testified in the investigation of whether Marshall, 52, was murdered or took his own life last year will be called. He would not identify them.

# BILLY GRAHAM OPENS CRUSADE WITH 33,500

By CHARLES-GENE MCDANIEL

CHICAGO (AP)—Evangelist Billy Graham pleaded Wednesday for America to recover its lost frontiers while pursuing new frontiers. Some 33,500 persons heard Graham say that there are some things which cannot be discarded just because they are old.

"We do not discard the multiplication table because it is old," he said. "Neither should we discard moral laws because they are old."

The Southern Baptist preacher spoke in the arena of McCormick Place, a vast exposition center on the lake front near the downtown district.

# CROWD SETS RECORD

Another 5,000 persons were attending a Metropolitan Opera performance in a theater in the 11-acre building.

Crusade officials said it was the largest opening night crowd the 43-year-old evangelist has addressed since he began his "Crusades for Christ" in 1946. The crusade continues in Chicago through June 17.

"There has never been a time when there was more humanitarian effort, more good and more interest in religion and social justice than there is today," he said. "But our best does not seem good enough to halt the rising tide of greed, lust, hatred, prejudice and war."

# RACIAL STRIFE SIN

"We have forgotten how to blush in America," and the nation is no longer shocked at crime, wickedness and scandal, he said.

Graham emphasized racial strife as one of mankind's sins and said, "Chicago is one of the cities in the United States that's a racial tinder box."

The answer to racial strife, as well as to other sins, he said, is in the Bible. He said that love cannot be legislated but that he favors legislation in the achievement of racial equality.

# 450 DECISIONS

He termed sex and television the gods which many worship today and lamented the lack of Bible-reading and praying.

The lost frontiers to which people need to return, he said, are: the Ten Commandments as a basis for our moral life; a new sense of sovereignty and power of God; recognition that Christ demands lordship in every department of our lives, and a deeper realization of a personal encounter with Christ.

Crusade officials estimated that 450 persons made "decisions for Christ" when called upon to do so by Graham at the end of his sermon.

# TO EMPHASIZE SCOUT CAMPS

Additional emphasis will be placed on camping this summer by the Black Walnut Boy Scout District units, according to discussions Tuesday evening at round tables held for the Cub, Boy Scout and Explorer leaders at the West St. Branch Bank.

Announcement was made of an "Eager Beaver" weekend to be held at Camp Tuckahoe from 8 p.m. Friday until Sunday for leaders of the various units, committeemen and other adults interested in assisting in readying the camp for the summer season. The group voted to hold another round table in June, but none in July or August.

Joseph Sunbury was in charge of the Cub leaders, round table at which the theme "Inside Noah's Ark" was outlined. Cub packs were urged to take "mystery trips" to unknown destinations during the summer — with the destination to be a zoo, farm or other site where animals can be seen in relation to the "Noah's Ark" theme.

Allen Dubbs presided at the Boy Scout round table at which various plans for activities were discussed including the distribution of "Tote 'N' Chip" cards given to boys who qualify for use of the knife and axe. If any violations of the rules occur one corner of the card is torn off. If four violations occur the card is withdrawn and the Scout may not carry an axe or knife.

Plans were announced at the Explorer's session by Dr. Richard N. Greenholt to send notices to each Explorer in the district of events planned for the summer.

cotton allotments of Estes as a representative of the State Agricultural Stabilization and Conservation Service Committee. Estes, West Texas farm financier, since has been indicted on fraud and theft charges.

The body of Marshall, shot five times with a bolt action rifle, was found on his farm near here last June 3. Suicide was the latest verdict.

Dr. J. A. Jachimczyk of Houston, Harris County medical examiner, repeated an opinion Wednesday that Marshall was murdered but said there was a faint possibility of suicide.

# BUTLER, Pa. (AP) — Judge Clyde S. Shumaker declared a

mistrial today in the murder trial of Donald Montgomery, 19, of Brackenridge.

In his summation to the jury, Doerr referred to Montgomery as "a professional" "an old pro" and the "the old pro."

# Will Open Bids On Sheriff's Radio

The Adams County commissioners today announced that bids will be opened June 13 at 10 a.m. at the courthouse for a radio station and four mobile units to comprise the sheriff's network being constructed to provide radio communications for the sheriff's and police departments of the county.

At present most of the police departments use the CD firemen's radio network, but under Federal Communications Commission regulations this will not be possible after this year.

As a result, a special sheriff's-policemen's network is being set up with its own frequency. Through use of monitors the two networks will be able to work together through the Quick Call center here.

The commissioners also announced today that they are about ready to seek bids for a program of cleaning the exterior of the courthouse by use of an acid wash, with light sandblasting in some places, plus replacement of some bricks and placing of a sealer coating to restore the appearance of the courthouse to its appearance when built a century ago. The commissioners said the acid bath and sealer is cheaper than sandblasting and, like sandblasting, will provide a saving in that paint will not have to be placed from time to time.

## KINDERGARTEN CLOSING FRIDAY WITH PROGRAM

Christ Lutheran Church Kindergarten graduation will feature a closing program by the children for their parents and friends with a picnic following at the Recreation Park on Friday, beginning at 10:15 o'clock in the Parish House.

Douglas Danfelt, Gettysburg College band director and chairman of the education committee of the Christ Lutheran Church, will present certificates and colorful academic-type hoods to 15 graduates who will be entering First Grade in September. The school is a two-year kindergarten and nine other children will return to kindergarten next year.

Material for the program was drawn from the day-by-day studies and activities in the class room. Costumes were designed and sewed by the children themselves.

### TO REVIEW UNITS

The first unit of interest to be reviewed will be the apple industry of Adams County. A quartet made up of Janny Sapp, Linda Kepner, Stephen Forney and Michael Gibbons will sing "Come to the Orchard" and "Who Will Buy My Apples?" after which they will all paper apples they have constructed to the audience for play money.

A closer investigation of the movies was stimulated by the film "Pinocchio." Recalling this interest Karen Gallagher, Andria Hoffman, Gary Boltz and Jimmy LeVan, dressed as puppets, will sing "Les Petites Marionnettes" and do a puppet dance.

A study of ants leads to the song "Busy Little Ants," to be sung by Mark Rice, Darlene Foust, Vickie Carver and Johnny Forney, and a creative dramatic play "The Ant's Picnic." The singers will take the parts of the ants, and the "beetles" will be played by Janny Sapp, Linda Kepner, Stephen Forney and Michael Gibbons.

### OTHER UNITS

Learnings centering around the uses and sources of water introduced the song "April Showers," which will be sung by Lauren Raffensperger, Laura Trone, Lynn Glad and Eleanor Bollinger. The girls will also do an umbrella twirling routine.

The class' recent trip to Hershey Chocolate Co. will be reflected in a song by Jimmy Zeigler, Jane Zimmerman, Jimmy Shanefelter and Linda Brandon. Karen Gallagher, Andria Hoffman, Gary Boltz and Jimmy LeVan will join the march of the candy bars.

The final unit of the year featured birds. "The Wee Little Nest" will be sung by Jacqueline Bollinger, Johnny Toggas, Donn Enggren and Barbara Danfelt. The program will be concluded by having the children enact Dr. Seuss' story, "Gertrude McFuzz."

### TO SEE MOVIES

Mark DeWald will announce the program.

Moving pictures taken of the kindergartners earlier in the year will be shown by Robert Boltz, father of one of the children.

## Ex-Beau Brummel Of Senate Dies Today At 87

WASHINGTON (AP) — Henry Fountain Ashurst, an unschooled cowboy who practiced the art of oratory by thundering speeches to the cacti on the lonely Arizona range, died today at the age of 87.

One of Arizona's first two U.S. senators, Ashurst succumbed before dawn at Georgetown University Hospital where he was admitted May 16 after suffering a stroke in his hotel apartment.

In his 29 years in the Senate, from 1912 to 1941, Ashurst was recognized as one of the chamber's better orators. He liked to refer to himself as "Five-syllable Henry."

### HUMBLE ORIGINS

Still courtly and dignified in later life, he was just what the producers of the motion picture "Advice and Consent" were looking for when they sought someone to portray a senator.

Ashurst's origins were humble, however, and included both the covered wagon and the log cabin that American politicians have never found handicaps.

It was in a covered wagon carrying his parents to Arizona that Ashurst was born on Sept. 13, 1874, near Winnemucca, Nev.

### FORMER COWBOY

And it was in a log cabin south of Bill Williams Mountain that the Ashurst family first settled.

The opportunity for schooling on the frontier was meager and at 13 Ashurst left the Flagstaff town Washington hotel.

The second division included the National Guard and Army Reserve units, the Old Fife and Drum Corps, the Blue and Gray Band, VFW and Donna's Twirlettes. Various organization marching units, the Bigville and Fairfield High School Bands, the Hanover American Legion Drum Corps and Commodore Barry Flute Band of Philadelphia made up the third division. In the fourth division were mounted Pennsylvania State Police, Delone Catholic High School Band, SUV, a North-South Skirmish Group from Chambersburg and the speakers, guests, etc.

### WREATHS PLACED

While the school children placed flowers on the 3,800 graves in the National Cemetery, special wreaths were placed by Elton Koch, Ridgely Park, state commander of the Sons of Union Veterans; Frank Zenger, Norristown, senior vice commander of the Pennsylvania Department of the Veterans of Foreign Wars, and O. P. House, district commander of the American Legion. The National Cemetery ritual was read by heads of the local SUV, American Legion and VFW with Rev. Dr. O. D. Coble, Bendersville, a World War II chaplain, taking the chaplain's part for the exercises. Mayor William G. Weaver was master of ceremonies.

At the rostrum, the old Guard Fife and Drum Corps, the Army Reserve unit and the Gettysburg Senior High School Band made a colorful group before the platform. Frederick Tilberg Jr. drew applause with his recitation of Lincoln's Gettysburg Address and the talk by Gen. Larsen was described by attendants at the program as "one of the best yet."

### JUDGE PRESIDES

Judge W. C. Sheely was master of ceremonies for the rostrum program. Rev. Weston Chambers and Rev. Fr. Joseph Kealy gave the invocation and benediction, respectively. The program concluded with the playing of the "old" and "new" national anthems. The Old Guard Fife and Drum Corps played "Honors Rendered to the Colors," used as the anthem for years until the adoption of the Star Spangled Banner. The present anthem was played at the ceremony by the local Senior High School Band.

Gen. Larsen concluded his talk by observing, "Let us so live that our children will reverence us as

we reverence our ancestors."

### TRUE MEANING LOST

"All too often," he said, "the true meaning of Memorial Day is lost. When the Civil War ended the problems of peace were as complex as the problems of war. The cannon had ceased to fire, but it was not easy to forget the bitter memories. Four years of violence had made forgiveness a difficult task.

"Then in 1866 in Columbus, Miss., a small band of women decided to decorate the graves of the Confederate dead. They saw nearby a small group of Union graves. The graves looked so bare and cold that the women decided to also decorate them so that soon there was no difference between the graves. A northern newspaperman witnessed the incident and was impressed. He wrote of it and the deed appeared to the nation as a fitting way to end the bitterness of war. Two years later Gen. Logan of the GAR issued his famed general order which launched Memorial Day across the nation.

"Since then Memorial Day has come to be a day to honor all of our war dead.

"This expansion of the honored dead is not something to which we point with pride, but we realize that bloodshed and strife are sometimes needed to protect our nation.

### "KEEPS NATION STRONG"

"From the frozen hills of Valley Forge to the steaming tropics of the South Pacific, American men have fought and have been victorious. They have in great numbers laid down their lives that our nation might live. In all of our nation's history the American fighting man has never lost heart, or a war. And no religion or color, whether farmer or city dweller, had set our men apart. They have been as one.

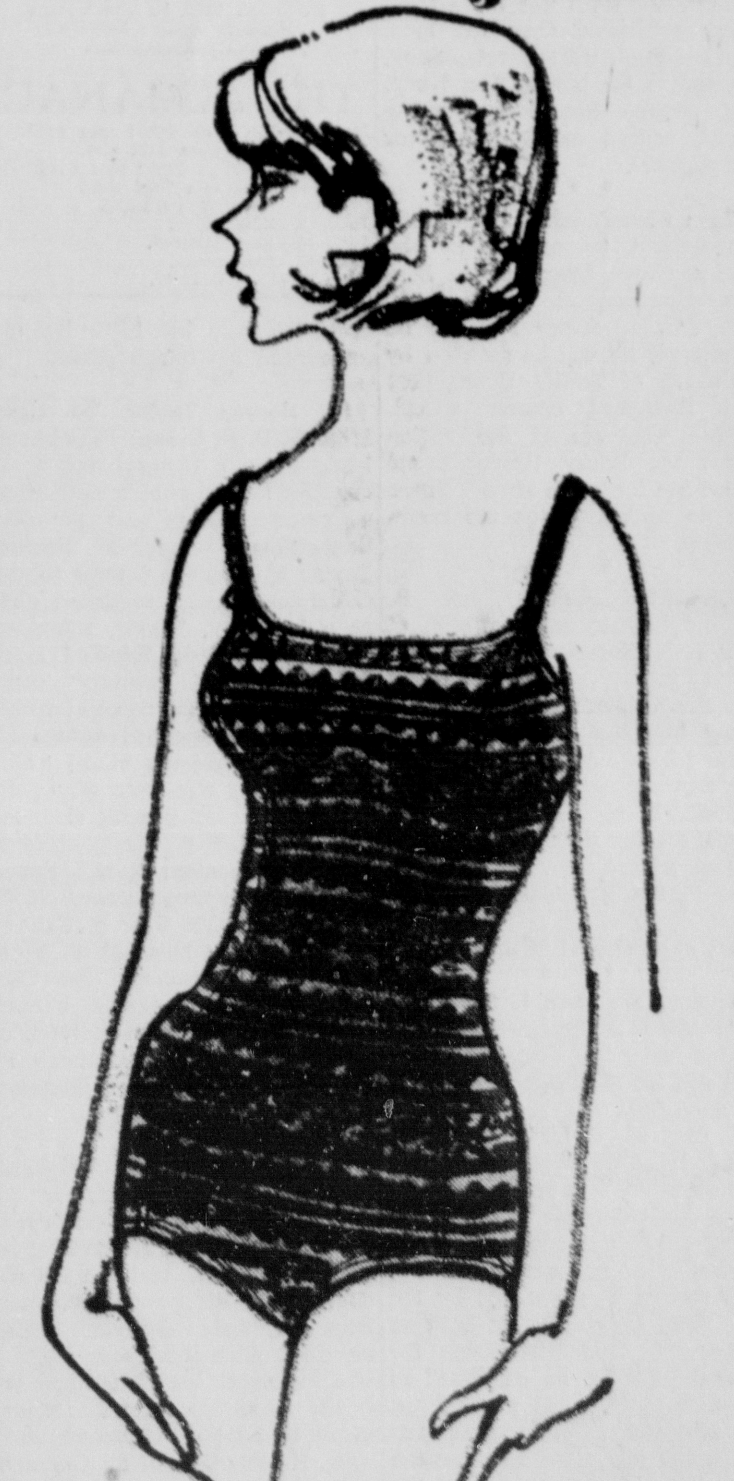

"Today, in placing flowers on the graves, as was so beautifully done a few moments ago by the young children of Gettysburg, we realize that we must maintain our nation's strength. For us the reason for maintaining military might is only to maintain peace on honorable terms.

"The true source of our strength is the individual—the individual soldier, sailor and marine, and the individual citizens who stand behind them.

"And it is the clear understanding of the need to maintain our might reaching out from those at home to the most distant outpost of our military that sustains the men there—and keeps our nation strong."

TWENTY YEARS AGO

**Death Claims J. Barrymore:**  
Gay, debonair John Barrymore, who lived life to the utmost and gave scant heed to the consequences, died last night. The 60-year-old star of the stage, screen and radio, whose life was spent in the white glare of publicity, was almost alone when the end came. Only his medical attendants and his brother, Lionel, were with him in his white-walled hospital room when John crossed the border into death. His doctor said his death was caused by myocarditis, a heart ailment, complicated by chronic nephritis, cirrhosis of the liver and gastric ulcers. Barrymore once told a friend that every second of his life was an interesting experience and his antics, on stage and off, bore him out. He was married four times, made fortunes and spent them, had a national reputation as a wit, and was regarded as one of the most competent actors of his time.

**Cologne Raid:** Germany can be knocked out of the war by fall, crushed by huge fleets of American and British bombers, air experts predicted today as the German city of Cologne, lay in flames under the most devastating air raid in history. When the RAF sent more than 1,000 bombers with the greatest weight of steel and explosive ever borne on wings into the Rhineland Saturday night, these sources declared, its fliers heralded not only an eventual invasion of Hitler's Europe but also the systematic destruction of his war machine city by city, factory by factory.

**Largest High School Class Is Graduated:** After presenting a directed pageant centered about the theme of "Victory," 128 Gettysburg high school seniors received their diplomas Tuesday evening at annual commencement exercises in the high school auditorium. The class was the largest every graduated from the local high school. Margaret Saby, dressed in the blue of the Navy, and Jeanne Spangler, wearing khaki, served as narrators for the pageant.

**Open Church School:** A church school will be opened at the Rocky Grove school house Sunday afternoon at 2:30 o'clock. Rev. Howard Schley Fox will be in charge. He will be assisted by members of Trinity Evangelical and Reformed church school. People who live in the region about the Rocky Grove school house are invited to attend. There are no restrictions on the membership.

**Restaurant Closes:** Jay R. Schmitt, owner and operator of Butt's restaurant for the last three years, announced today that the restaurant is being closed today "for the duration." Butt's garage however will remain open for day and night storage. Mr. Schmitt is now employed as a clerk at the state liquor store, center square. Mr. Schmitt expresses his appreciation for the generous patronage his establishment has received in the past.

**Seven Stars Store Is Sold:** Little's store at Seven Stars, operated under that name by father and son for nearly three-quarters of a century, has been sold and will pass out of Little ownership June 18. The store, a typical country store that carried a complete line of goods that ranged from candy and notions, to groceries, clothing and hardware, was opened 73 years ago by the late John Little. Serving both as storekeeper and postmaster for that community, he continued in business there for 41 years when his son, Roy T. Little, took over the home and store and became postmaster. Roy has operated the store for the last 32 years and has been postmaster at Seven Stars. Mr. Little has sold his home, the store and its merchandise and equipment along with two acres of land to G. C. Flint, of Binghamton, New York. Mr. Flint expects to continue to op-

## Today's Talk

HE DIED — LIVING

There is something very inspiring about people who do not seem to be in any extra hurry — who have time to live.

George Gissing in a very lovely letter to his friend, Edward Clodd, gave a very beautiful instance which I quote in full as he wrote it in his letter:

"There was a praetorian prefect under Hadrian, a fine old fellow called Similis. Permitted at length to lay down office, he retired to his country estate, where he died seven years later. On his tomb he had graven:

"Here lies Similis, who existed for 64 years, and lived 7." I have so often thought — why all this rush to achieve fame or fortune, when the real worthwhile thing of life is to live? And to live we must love, and take time to serve others, and learn that happiness given to someone else is happiness earned for ourselves.

I recall meeting an old friend — a great lover of books. He once came to my office library and we forgot the dinner hour. My friend also forgot his last train time, and I forgot the keys to my home in the country. So we both had to stay in the city for a night. But what a glorious time we had. We fondled books hundreds of years old and touched this treasure and that, in whispers, almost.

Every oncoming year has seemed to teach me that there is everything in this love of beauty and all that inspires a love of the beautiful. When everything else evaporates, and we become more mystified than ever over the problem of life, the explanation of the rose and the pansy, the buddings of spring and the colors of autumn loom plain as the eye.

God doesn't seem so clear at times, but if He made the rose and the pansy, we can understand Him all right.

RESEARCH

If you devise a method new  
The wise will shake their heads  
at you;  
They'll cite their rules and maxims  
old  
By which your failure is foretold,  
And say since two and two make  
four  
'Tis vain strange precincts to  
explore.

Though very true it seems to tell;  
Six minus two make four as well,  
And three plus one, and nine less  
five,  
By many ways you can arrive  
At four. So be you not dismayed.  
Still venture forward unafraid.

Who pioneers for truth must leave  
The barriers which men perceive,  
Old guide posts, merely mark the  
way  
To man's supremest yesterday,  
But farther on the great unknown  
Still waits for one to come alone.

All things discovered merely lead  
Another to some greater deed.  
Tomorrow always holds in store  
A grain of truth not known before,  
And when that little fact is  
learned  
Old false beliefs are overturned.

He was boss of all German concentration camps and he authored the fearful Jewish program of 1938 and the burning of synagogues in many German cities.

## DENIES THAT HE KNEW FIRE WAS STARTED

BUTLER, Pa. (AP)—Donald Montgomery, 19, of Brackenridge testified at his murder trial Wednesday that he didn't know a fire had been started at the home of a 69-year-old woman who burned to death.

Attorneys were slated to present their summations today and it was possible the case would go to the jury late in the day.

Montgomery, the only defense witness, said he didn't realize a fire had been started at the home of Mrs. Pauline Ritter in Cabot until he was on a hillside away from the house and saw smoke and flames.

**"GOT SCARED"**  
The defendant told the jury of seven women and five men that Charles Ganss Jr., wanted to set the fire, but he told Ganss, "That will never work. We can't start a fire."

When he saw the fire, Montgomery testified, "I got scared and ran."

Ganss, 17, of Cabot has been convicted and sentenced to death. The state claims the two youths entered the Ritter home the night of last Jan. 20, put Mrs. Ritter and her husband, Raymond, also 69, in separate closets, robbed them, and set fire to the home. Ritter, who escaped, also was struck with a rifle, the state says.

**ONLY TOOK ORDERS**

Defense Attorney Hugh S. Millar called Montgomery "a little man" who took orders from Ganss. He said Montgomery "went along and came to grief."

Montgomery also testified he was afraid of Ganss and that he did what Ganss told him last Jan. 20.

However, Montgomery did admit pouring coffee and whisky on Ritter's head and smashing the telephone and radio.

Dist. Atty. Donald Doerr, in cross-examination, brought out there wasn't any reference in Montgomery's signed statements that Ganss gave orders.

**DEFENSE MOVE FAIR**

Earlier in the day, Ritter testified Montgomery told him, "You'll die tonight. We'll set fire to the house."

Montgomery also hit him with a kitchen chair and threw food at him, Ritter said, adding:

"He did the smashing up, everything he could get his hands on." In other testimony state police St. James Barger said he asked Montgomery why he didn't shoot Ritter.

"He told me he thought Mr. Ritter was so old, so weak and lost so much blood he couldn't get out of the house anyhow," Barger testified.

In other action Wednesday, Judge Clyde S. Shumaker denied a defense motion to dismiss the case because of lack of evidence.

## MAKE TEST OF P.O. HANDLING

WYANDOTTE, Mich. (AP)—A high school girl tried to test the post office's package-handling but only part of the test worked.

Carol Skrycki, 17, won a science fair prize at Roosevelt High School anyway. She said she mailed eight accelerometers, which measure jolts, to a California collaborator.

"Air mail special—fragile," "air mail special" and an unmarked parcel received jolts equal to a three-foot drop said her report.

"Air mail," "fragile" and "second class" showed the effects of being dropped five feet, she said. But there was no report for "first class" and "third class." The packages—and accelerometers—were smashed flat, Carol said.

## 12 Persons, Half Of Them Traffic Victims, Die In Pa.

By THE ASSOCIATED PRESS

Twelve persons, six of them traffic victims, died in accidents in Pennsylvania over the 30-hour Memorial Day holiday period.

A 2-year-old boy and a 16-year-old youth drowned. Another boy fell to his death in a mine shaft. Two persons died in tractor accidents and a woman died in a fire to account for overall toll from the period beginning at 6 p.m. Tuesday and ending at midnight Wednesday.

Twenty-eight persons, including 16 traffic victims, died over the Memorial Day period last year but it extended over a long weekend, covering 102 hours.

**2 ON TURNPIKE**

Among the traffic victims were a man and a woman killed on the Pennsylvania Turnpike Wednesday night. Harvey G. Four other persons suffered minor injuries. State police said it was raining at the time and a turnpike spokesman said the car had two bad tires.

The drowning victims were Joseph H. Monn, 2, of Gettysburg R. 2, who fell into a septic tank Wednesday while playing in a neighbor's yard, and Paul Gar-chak, 16, of West Mifflin, who drowned in the Monongahela River near Pittsburgh.

## Bullets Seek District Baseball Title At PSU; Face St. John's Friday

The Gettysburg College baseball team will take part in its first District II NCAA playoff when it tangles with St. John's University (22-1), on Friday at 3:30 p.m. on the Pennsylvania State University diamond. The contest will be the second of a twin-bill with Penn State (10-4) and Ithaca (15-0) clashing in the 1 p.m. opener. Friday's winners will meet on Saturday at 2 p.m. to determine the district representative to the College World Series in Omaha, Neb.

The Bullet squad will leave this evening at 6 o'clock for University Park and will be quartered at the Nittany Inn.

This year will mark the first appearance of a Gettysburg team in the playoffs in the 97-year history of the sport at the college. Since its inauguration in the athletic program in 1865, Bullet baseball teams have won only two Middle Atlantic Conference titles including the university division championship this year. The first crown came in 1958.

The Bullets received the right to compete in this year's playoff by sailing through the MAC with a 7-1 record, the lone setback coming at the hands of Rutgers, and an overall 11-5 slate. This season's championship rounded out Gene Hummel's debut as baseball coach for the Battlefield school.

Gettysburg had a rough time finding its mark as the season got underway. The Bullets dropped their first three outings to Penn State, Lebanon Valley and Albright. After defeating Dickinson and Bucknell, Gettysburg suffered its fourth loss on an 8-4 decision to Rutgers. The Bullets then went on to win nine of their last 10 contests, losing only to Navy. During that stretch, victories were recorded over Lehigh, Delaware, Lafayette, Franklin and Marshall, St. Joseph's, Washington College, Muhlenberg, LaSalle and Dickinson.

At the end of the regular season, Junior Frank Martin, first baseman from Chambersburg, emerged as the batting leader with a .388 average. Martin belted 19 hit for 49 at bats including six doubles, four triples and one home run. He recorded a .977 fielding average for 133 chances. Rick Taylor, Glen Mills, was runnerup in the hitting department with a .373 average. The third sacker hit safely in 15 of the 16 contests to go 22 for 59 at the plate. He led the squad in runs, hits, triples, home runs, run batted ins and stolen bases.

Senior Tom Perkins, Havertown, the most improved ball player on the squad, rounds out the three hitting powers. He connected for 15 hits for 47 at bats and a .319 average. He was second to Taylor in the run batted in department with 11.

Hummel has relied heavily on two of his six hurlers, Ted Koerner and Bob Hinds. Koerner, a right hander from Melrose Park, turned in a 5-1 record on the season and was 5-0 in MAC play. He recorded a 1.58 earned run average in 57 innings. He started eight games and finished giving up 44 hits, striking out 38 and walking 25. Hinds, a southpaw from Bronxville, N. Y., compiled a 1.03 era in 43½ innings. He recorded a 4-1 mark on the season completing the two games he started and coming on in seven relief rolls. He gave up 34 hits, struck out 29 and walked 11.

Hummel's starting lineup against St. John's will include Martin, 1b; Perkins, 2b; Bill Jacobsen, ss; Taylor, 3b; King Core, lf; Jerry Robertson, cf; Bruce Sutcliffe, rf; Bob Furney, c, and T. Koerner, p.

Bobby Hersh of Glen Rock and Gene Goodling of Stoverstown won sportsman-modified features and Don Eisenhart of York swept the limited sportsman features in Tuesday night's stock car races at Lincoln speedway, near Abbotstown. Over 7,000 attended.

Hersh finished in front of Neil Haight of Brooklyn, Md., and Peepee Poblets of Randallstown, Md. in Tuesday night's S-M feature. Hersh and Goodling won heat races. In the limited sportsman placed first in the windup, with Fred Putney and Johnny Laughman of Hanover placing second and third respectively.

Eisenhart and Manny Christine of Dover won heat events.

Prior to the regular competition, Saturday night's rain-curtailed card was completed, with the running of two features. Goodling won the S-M feature with Moe Harden of Pikesville, Md., second and Poblets, third. In the limited feature, Eisenhart won, followed in order by Charles Wireman of Stewartstown and Merle Dilworth of Carlisle.

Saturday's program will start at 8:30 p.m.

A three-way tie for first place now exists in the South Penn Baseball League following initial defeats suffered Wednesday by Fairfield and Littletown.

Coldsmith tossed a three-hitter for Arendtville and fanned 15 as he pitched his team to a 9-3 verdict over Fairfield at Arendtville, stopping the five-game winning streak of Fairfield. Fairfield scored all of its runs in the first inning on a pair of walks and a home run by E. Spence. T. Cline, Shultz and Pitzer each rapped three hits for the winners, one of Shultz's blows being a home run.

New Oxford moved into the first place deadlock by nipping previously unbeaten Littletown 2-0 on the winner's field. A pair of runs in the seventh sewed up the game for New Oxford. Lefty Miller walked and moved to second on a sacrifice by W. Billman. Bud Reichart singled to score Miller, Billman racing to third. John Dutera then laid down a perfect bunt to squeeze in Billman.

Ronnie Weigle permitted Littletown to bat two hits, bunts by D. Yealy and Zanger, fanned eight and did not allow a runner past second base. His mound opponent, Bankert, also hurled brilliantly in allowing but four hits and whiffing seven.

Gene Groft celebrated his birthday by pitching McSherrystown to a 9-1 decision at Harney, yielding five hits, fanning 10 and walking only one. Groft aided his own cause with two hits with Pete Lehigh, "Chick" Livelberger and Ron Martz aiding the attack. Slick collected three of Harney's hits.

Brushtown evened its record via an 8-5 win at Taneytown. P. Heilmann, winning moundman, received fine relief support from G. Ouren who tossed the last four frames. W. Roth and E. Roth banged out four and three hits, respectively, for Brushtown. Shank smacked a pair for Taneytown.

Gettysburg notched its second victory of the season by defeating Mummasburg here 6-2.

Bonneauville turned back invading Cashtown 4-1.

Jim Clabaugh collected a single, double and triple to account for three of Bonneauville's 11 hits. Bernard Sneeringer, Bonneauville hurler, gave up but four hits and did not issue a pass.

## New Mark For One Lap Set By Jones

INDIANAPOLIS (AP)—Parnelli Jones turned the fastest competitive lap ever recorded at the Indianapolis Motor Speedway while leading Wednesday's 500-mile race before his brakes failed.

Th official timers' report today showed Jones ran 148.295 miles an hour on the 56th lap. The old record was 147.589 by Troy Ruttman last year.

**Major League Stars**  
Pitching—Pedro Ramos, Indians, limited Baltimore to three hits, allowing none after third inning of 7-0 first game victory over Orioles in which he also hit two homers—one a grand slam. Baltimore won second game 7-0.

Batting—Willie Davis, Dodgers, went 3-for-6 and drove in two runs in 13-6 first game victory over Mets, then won second game with ninth inning homer that snapped 5-5 tie for 6-5 triumph.

## Cleveland Holds Lead As Gattys Gets 2 Homers To Beat Birds; Yankees Split

By MIKE RATHET  
Associated Press Sports Writer  
Cleveland's ever-growing list of heroes had two new additions today, their own rubber-armed Pedro Ramos and the Twins' Vic Power.

Ramos stopped Baltimore on three hits Wednesday in the first game of a doubleheader and drove in five runs in the 7-0 triumph with a pair of homers—one a grand slam. The Orioles won the nightcap by the same score.

Power stroked an 11th inning homer for a 5-4 Twins' triumph after the second-place New York Yankees had taken the opener of their twinbill 10-1. That restored Cleveland's half-game edge at the top of the AL logjam.

**MINNESOTA CLOSE THIRD**  
Minnesota remained a game back in third place with fourth-place Detroit and fifth-place Los Angeles, percentage points apart, both two back. The Tigers split 7- before losing 6-3. The Angels moved closer by beating Boston twice, 10-5 and 4-0.

Washington and Kansas City also divided a twinbill with the Senators taking the opener 8-0 and the A's grabbing the second 5-2.

Ramos (2-1) was in complete charge against the Orioles, blanketing them without a hit after the third inning and getting added home run support from Al Lupo, who connected with a man on against Chuck Estrada (3-6). The Orioles won the nightcap on homers by Jackie Brandt and Dave Nicholson of Barry Latman (2-4) and the five-hit pitching of Hal Brown (2-3) and Hoyt Wilhelm.

**BLANCHARD HOMERS**  
Johnny Blanchard paced the Yankees' 16-hit offensive in the first game with a homer, double and single for three runs batted in while Bill Stafford (4-3) checked the Twins on seven hits. Victim of the heavy blasting was Joe Bonkowski (3-4). Power's one out blast in the 11th got the Twins the even break with Dick Stigman (3-1) getting the victory and

## JAIPUR WINS JERSEY DERBY ON DECISION

By RALPH BERNSTEIN  
Associated Press Sports Writer

CAMDEN, N.J. (AP)—George D. Widener's Jaipur, a bust as the Preakness favorite, has stuck his nose back into the mud-died competition for 3-year-old honors by winning the \$100,700 Jersey Derby at Garden State Park.

The son of Nasrullah-Rare Perfume, ridden by Larry Adams, was declared winner of the 1½ mile Jersey Wednesday after the first horse across the finish line, Crimson Satan, was disqualified for bumping in the final eight of a mile.

Jaipur, Crimson Satan, with Larry Gilligan in the irons, and Fred W. Hooper's Admiral's Voyage, guided by Braulio Baeza, thrilled a Memorial Day crowd of 44,818 with a nose and nose three-horse drive from the top of the stretch to the wire.

When the photo camera separated the three, Crimson Satan, who last fall won the rich Garden State Stakes, was a whisker ahead of Jaipur, who had about the same margin on Admiral's Voyage. It was a blanket finish in 1:49 over a fast track with all carrying equal weight of 126 pounds.

Jaipur, tenth and beaten 19 lengths in the Preakness after going off the favorite, is headed for the June 9 Belmont Stakes and a showdown with Decidedly, winner of the Kentucky Derby, and Greek Money, the upset Preakness winner.

## Expect Mauch To Leave Hospital

PHILADELPHIA (AP)—Manager Gene Mauch of the Philadelphia Phillies was expected to leave a Los Angeles hospital today and return to Philadelphia in time to rejoin the club for Friday night's game against Los Angeles.

Mauch had stayed over in Los Angeles with his family following a weekend series with the Dodgers there since the Phillies had open dates Monday and Tuesday. He developed a lung irritation and was admitted to Rio Hondo Hospital.

A Phillies' spokesman quoted Mauch's physician as saying the irritation was the aftermath of a bout with the flu and not serious. Meanwhile, coach Peanut Lowrey temporarily took over the manager's post Wednesday.

The Phillies dropped a doubleheader to the San Francisco Giants who they play again tonight in the final game of a three-game series.

## SAYS LOSER IS A CHAMP

NEW YORK (AP)—Carry Back beat the mighty Kelo, horse of the year in 1960 and 1961, in the \$111,900 Metropolitan Handicap at Aqueduct but trainer Jack Price still has no illusion about who is the champ.

"It's still Kelo," Price, who trains Carry Back for his wife, Katherine, said today.

"You must throw out Kelo's race. It was his first start of the year. And he just can't be that bad."

Kelo, favorite of a crowd of 63,065, finished sixth in a field of nine. He wound up more than eight lengths behind Carry Back, the 1961 champion 3-year-old. Carry Back not only staged his usual great stretch rally in beating Merry Ruler by 2½ lengths, he tied the track record of 1:33 3/5 for the mile.

Carry Back carried 10 fewer pounds than the champ—hauling 123 to 133 for Kelo.

Williams managed to finish second behind Leroy Felty and pick up 95 points to up his total to 410, just 20 ahead of Tobias. Felty is a close third with 365 and it was his switch to fuel in jecton that gave him a big boost in last Friday's feature.

A three-way tie follows the top three, Johnny Crawford, Blooms-

## National League Leaders Sweep Doubleheaders From Mets, Phils May 30

By JIM HACKLEMAN  
Associated Press Sports Writer

Two traditional rivals streaked through the first of baseball's big holiday spectacles at full clip, still waging their duel at the top of the National League.

Both San Francisco and Los Angeles swept Memorial Day doubleheaders, leaving the Giants with the same game and a half lead they've held over the Dodgers for the past week.

The Giants extended their current winning string to seven at Philadelphia, 4-3 in 12 innings and 5-2 over the Phils. The Dodgers, before the biggest crowd in the majors this season, won 13-6 and 6-5 over the New York Mets.

**RODGER WARD WINS AGAIN IN BIG "500"; SETS RECORD**  
By DALE BURGESS  
Associated Press Sports Writer  
INDIANAPOLIS (AP)—Rodger Ward, who dresses like a bank president and plays tournament bridge and golf in the low 80s, will politely relieve Speedway owner Tony Hulman of something over \$100,000 tonight at the annual 500-mile auto race victory dinner.

Ward, 41, was just as smooth Wednesday when he drove his new A. J. Watson custom-built speedster to his second Memorial Day victory in four years. He set a record of 140.292 miles per hour against A. J. Foyt's year-old mark of 139.13.

It was a remarkable 12th consecutive start in the world's richest auto race for the veteran Indianapolis sportsman-businessman. And he proved again that you can't beat experience at the 52-year-old track.

**JONES HAD TROUBLE**  
Parnelli Jones of Torrance, Calif., who turned the first 150-mile-an-hour lap over the relatively flat track during the time trials, did his best to back up predictions that he would run away from the pack in his Agajanian special.

Jones, in only his second 500, led for more than half of the race but brake line trouble messed up his pit stops and he finished in seventh place.

Foyt, of Houston, Tex., last year's winner, led briefly on one of Jones' pit stops, then Ward took charge on the 126th lap. Foyt lost a wheel and was lucky to walk back to the pits.

**HARD LUCK LOSER**  
Ward's teammate, Len Sutton of Portland, Ore., led nine laps after Ward made his last pit stop, then came back to finish second after his own final halt for tires and fuel.

Ward and Sutton drove on the Leader Card team, financed by Robert C. Wilkie of Milwaukee, who also owned Ward's 1959 winning car. Their one-two team finish was the first since Mauri Rose and Bill Holland dominated the late 1940s in the Blue Crown specials.

Popular Eddie Sachs, Coopersburg, Pa., was a hard luck loser for a second straight year. Taking third money, he actually was on the track a shorter time than Ward or Sutton. Sachs finished 8.43 seconds back of Sutton and 20.29 seconds back of Ward, and his pit stops took 24.5 seconds longer than Ward's efficient stops.

**NO DEATHS**  
Unofficially finishing back of Sachs were Don Davis, Phoenix, Ariz., fourth; Bobby Marshman, Pottstown, Pa., fifth; Jim McElreath, Arlington, Tex., sixth; Jones, seventh; Lloyd Ruby, Houston, Tex., eighth; 1960 winner Jim Rathman, Melbourne, Fla., ninth, and Johnnie Boyd, Fresno, Calif., tenth.

For the fourth straight year, the race was run without a fatality. And for the second-straight year, Jack Turner of Seattle, Wash., was the only driver hurt. He suffered a fractured pelvis and other injuries in a four-car pileup early in the race but was reported in good condition.

## Eastern League

By THE ASSOCIATED PRESS  
For a long time Binghamton fans had little to cheer about what with the Trips in last place in the Eastern League and only two pitchers being able to go a full game at Johnson Field.

But forget it today, Newcomer Paul Seitz breezed in from Albuquerque and changed all that, breezing past Charleston 5-2 Wednesday night on a five-hit-ter to give the Trips a split in a doubleheader.

In an afternoon game played at Oneonta, N.Y., about 60 miles from Binghamton, Charleston won 2-1 when Trip pitcher Ray Blenker walked four men to force in what turned out to be the winning run.

Despite only a split, second-place Charleston managed to

# Plan Funeral Saturday For Boy Killed In 500-Ft. Fall

SHAMOKIN, Pa. (AP)—Funeral services will be held Saturday for a 12-year-old schoolboy killed Tuesday night when he plunged down a 500-foot mine shaft while chasing a squirrel.

The body of Kenneth Schickley Jr., was pulled from the depths of the abandoned mine Wednesday morning, 10 hours after weary rescue workers began an all-night search for him.

His battered body was found by two coal miners lying on top of an old mine buggy on an offset some 450 feet down the shaft.

## SEARCH FOR HOURS

"Oh my God, my God," wept the youngster's father as news of his son's discovery was relayed to the top of the shaft by portable telephone. Then, he collapsed the arms of his brother-in-law, sobbing: "My God, it's awful!"

The two miners who found the body were John Varano of Shamokin and Joe Garcia of Kulpmont. Both were lowered into the 8-foot wide shaft at 3:59 a.m. After several hours of probing inside the shaft, they found the youngster.

As the battered body was hoisted to the top, tears filled the eyes of many rescue workers—including several hardened coal miners. One man made the sign of the cross as he helped put the youngster on a stretcher and wrap him in a blanket.

## FELL TUESDAY NIGHT

Kenneth fell into the mine about 8 p.m. Tuesday when a wooden brace on which he was standing gave way.

Ironically, at the time, the adventure-loving youth was supposed to have been at a Boy Scout meeting. Instead, he decided to hunt frogs on nearby Bunker Hill with a chum, Billy Kreiger, also 12.

It was while hunting frogs that the two spotted the squirrel. Young Kreiger said Kenny chased the animal into the open mine shaft and started climbing in after it. As he was trying to get back out, the brace broke. Billy, who also had been in the shaft, managed to scramble to safety and summon help.

## RESCUERS WORK IN VAIN

Rescue teams worked through the night in their efforts to penetrate the mine. They were hampered by rotted timber braces which threatened to give way at any time. Most of the work was done under huge spotlights powered by a portable generator.

Two men were lowered by rope to a depth of 300 feet, but could go no further. They reported that there was about 90 feet of water at the bottom of the shaft.

Steve Webster, a skin-diver, was called to the scene from Mount Carmel, but state and federal mine inspectors refused to allow him to go down.

## FATHER PRAYS

"It's my life, isn't it?" Webster argued in vain.

Ken's father, an employee of the Reading Transportation Co. in Harrisburg, didn't learn of the tragedy until he arrived home late Tuesday night.

He spent the rest of the time at the scene, shuffling back and forth to the mine opening, his hands clasped in prayer, tears streaming from his eyes. He never gave up hope and stood right alongside Varano and Garcia when they were lowered into the shaft in a gumboat—a boxlike contraption resembling a mine buggy.

As they made their way down, the two had to shore up sides of the mine shaft to brace the rotten timbers.

## WORK IN SILENCE

The grim rescue workers worked in silence for the most

part. At times, the constant hum of the power generator was the only noise that could be heard.

The mine, owned by Sam Bressi of Kulpmont, had been closed for about two years, but was scheduled to reopen in two or three weeks.

State mine inspectors said they didn't believe there was any negligence on the part of the owner in the tragedy. However, they did say they planned to investigate.

The boy, a sixth grader at the Stevens School in Shamokin, was one of six children in the Schickley family. He had three brothers and two sisters.

Mrs. Schickley was put under sedation after learning of the youngster's death.

"He's dead, he's down in the hole," she cried.

The accident occurred about half a mile from the boy's home on the outskirts of the town.

## Finish Probe Of Dr. Gara's Firing

GROVE CITY, Pa. (AP)—A two-day investigation into the dismissal of Dr. Larry Gara of Grove City College was concluded Wednesday by a three-member committee of the American Association of College Professors.

Prof. Ralph S. Brown of Yale University said the committee will make a report to the association. However, the report will not be made public, Brown said.

He said the association could vote at its annual meeting to censure Grove City for its dismissal of Gara, who was head of the school's history department.

Brown said the committee talked with faculty members but no students during the probe. He declined further comment.

Grove City did not renew Gara's contract, saying he was incompetent.

## DR. STAHR, 81, EX-PRESIDENT OF HOOD, DIES

SCITUATE, Mass. (AP) — Dr. Henry Irvin Stahr, 81, president emeritus of Hood College, Frederick, Md., died Wednesday at his Scituate home.

He was a former president of the Board of Business Management of the Evangelical and Reformed Church and secretary of the church's Commission on Higher Education. He also was treasurer of the National Protestant Council on Higher Education.

Dr. Stahr, born at Lock Haven, Pa., was graduated from Franklin and Marshall College in 1901 and later studied at Cornell University and Ursinus College. He was ordained in 1910 and held pastorates in Reading, Bethlehem and Hanover, Pa., before becoming president of Hood College in 1934. He headed the college until 1948. From 1949 until retirement in 1956 he was pastor of Christ Evangelical Church in Boston.

He leaves his widow, Alice; two daughters and a son, and eight grandchildren.

## Honors Memory Of Buddy 25th Time

BANGOR, Pa. (AP) — Maj. Herbert Frye of Bethlehem placed a wreath on the grave of an old Army buddy Wednesday, as he has every year since 1938.

But because of ground haze and poor visibility he was unable to fly over in a helicopter as he planned.

Frye arrived by auto from his home just as Bangor's Memorial Day exercises were about to start.

He was included in the observance. Then he went to St. John's Cemetery where he placed the wreath on the grave of Lt. Harold Dietz, who was killed in a plane crash at Easton Airport in 1938.

Dietz' parents accompanied him to the cemetery.

HARTFORD, Conn. (AP) — The fastest high schooler in the nation — unofficially, at least — is Gene Tetreault, 18, Hartford High School.

He turned in a 1:51.8 clocking in the half mile Wednesday at a prep track meet here.

The recognized record is 1:51.9, set by Ray Van Asten at Stanford, Calif., in 1960.

## Mother Killed In Fall From Car

EASTON, Pa. (AP) — A 24-year-old Bethlehem mother of two was injured fatally Wednesday when she fell or jumped from a moving car in nearby Williams Township, state police said.

Trooper John Kirvak quoted the driver of the car as saying the victim, Mrs. Marian Longenbach, jumped from his auto. Mrs. Longenbach's five-year-old son also was in the car.

The driver, Lester Kilpatrick, was charged with involuntary manslaughter at a hearing before Alderman David Reidman in Bethlehem. He was lodged in Northampton County Jail in default of \$2,500 bail.

## PAY TRIBUTE TO GRAY DEAD

ELMIRA, N.Y. (AP) — The Woodlawn National Cemetery, site of nearly 3,000 Confederate soldiers' graves, was the scene Wednesday of bi-state Memorial Day services.

An estimated 10,000 persons attended the parades and rites at the burial grounds. Eight Civil War units were reactivated for the occasion, including the 86th New York Volunteer Regiment and the 141st Pennsylvania Infantry Regiment.

Thomas E. Mulligan, executive director of the New York State Civil War Centennial Commission, shared the speakers platform with Irwin Richman, assistant historian of the Pennsylvania Historical and Museum Commission.

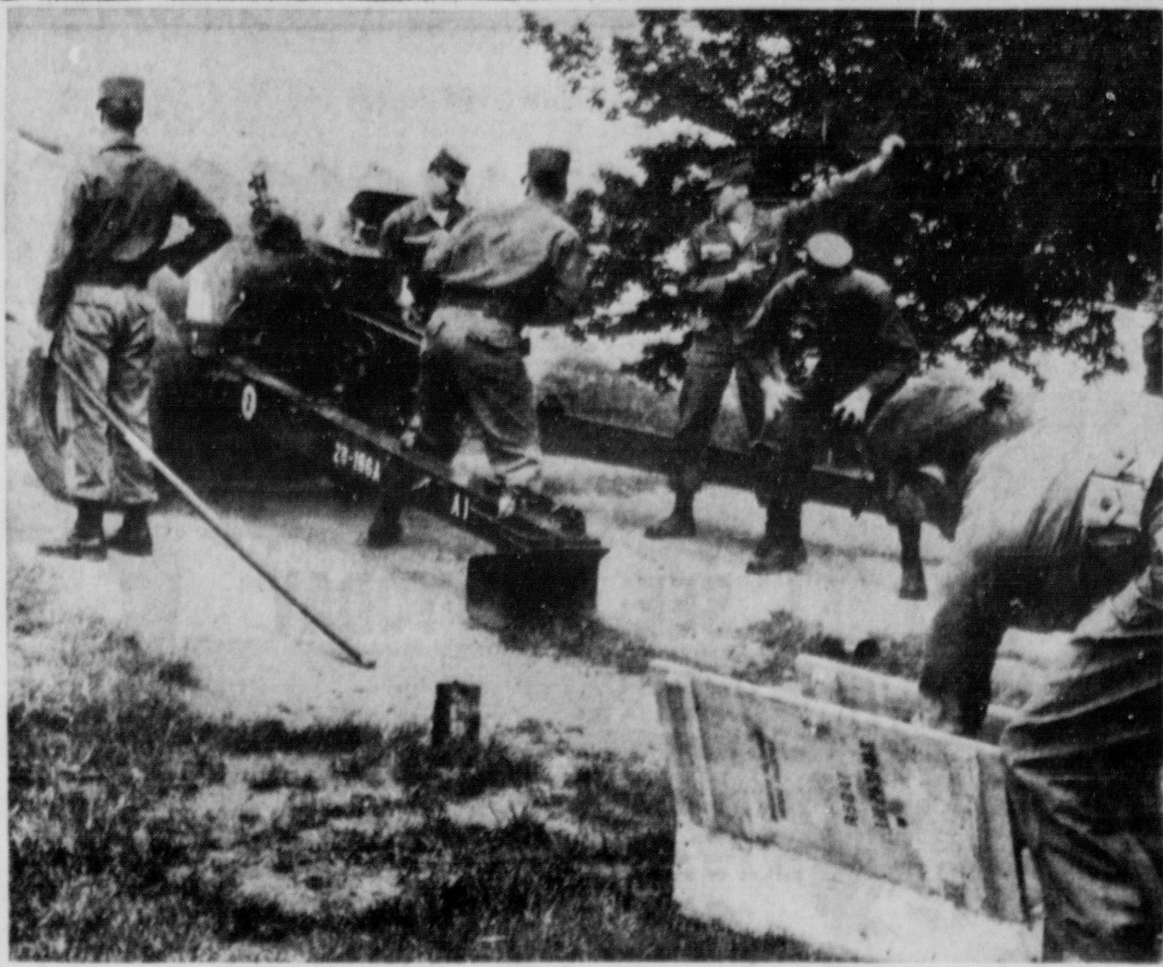

During the Civil War, Elmira was established as a prisoner of war depot and nearly 3,000 Confederate prisoners died and were buried in the national cemetery.

## Get Distress Call From Fishing Ship

SAVANNAH, Ga. (AP) — The Coast Guard said today it had received a distress call Wednesday night from a fishing trawler reported sinking in the Atlantic 45 miles southeast of Savannah. Two persons were believed aboard the vessel.

Two Coast Guard launches, a cutter and a Navy plane were dispatched to the scene.

The Coast Guard said it did not know the names of those aboard but that the vessel, the Linda M., is owned by Howard Davis of Philadelphia.

Members of the local Howitzer Battery of the Pennsylvania National Guard are shown on E. Cemetery Hill as they fired the 13th round of a "14-gun" salute in honor of Gen. Larsen, the speaker at the Memorial Day exercises, as the car bearing the general entered the National Cemetery. (Times photo)

The Irish Brigade Memorial Association is shown as it held its fourth annual memorial exercises Wednesday afternoon at the Celtic Cross memorial honoring the Irish Brigade in the loop area of the battlefield. A portion of the monument, which depicts an Irish wolfhound at the base of a Celtic cross, is shown at right. With backs to camera are a member of the Commodore Barry Flute Band, which also played in the Memorial Day parade here, and some of the young women in Irish costume who served as wreath bearers. Facing the camera (at left) is Jeremiah O'Callaghan, of New York City, past national president of the Ancient Order of Hibernians, who was the speaker at the Celtic Cross exercises, and, facing camera near monument, is Brother Zacharias, of Philadelphia, who is leading the recitation of the rosary in Gaelic. ## TO ARGUE FOR DEBT INCREASE

WASHINGTON (AP) — Kennedy administration spokesmen go to Capitol Hill today to argue for an \$8-billion increase in the national debt limit, now \$300 billion.

Secretary of the Treasury Douglas Dillon and Budget Director David E. Bell are likely to face, from the Republican side of the House Ways and Means Committee, a sharp grilling on administration economic policies. The emphasis may be on any possible responsibility for the recent plummeting of the stock market.

However, the committee, the House and the Senate are expected ultimately to approve the debt limit increase. Congress has periodically increased it, always

honoring Treasury requests made on the basis that without the leeway of a heightened ceiling, the administration would have to resort to awkward and expensive financial devices or possibly even leave bills unpaid.

## YORKER DROWNS

FREEHOLD, Neb. (AP) — A York County, Pa., airman drowned Wednesday in a swimming area at a state lake after apparently suffering a cramp as he started toward shore.

The victim was A/3C Terry H. Cooper, 19, of Stewartstown, son of Mr. and Mrs. Clyde W. Cooper. Cooper had gone to the lake on a picnic with Sharon Miller of Lincoln who swam safely to shore.

MONTREAL (AP) — Justice Wilfrid Lazure, 74, one of Canada's leading criminal judges, died Wednesday after a long illness.

## MD. SYNOD TO

(Continued From Page 1)

Church in Frederick, presented a report of the Maryland Synod planning commission today which disclosed details of the new synod which is to be formed this fall to replace the present Evangelical Lutheran Synod of Maryland.

Preliminary planning, Pastor Trunk reported, calls for two full-time elected officers of the new Maryland Synod, president and secretary. The present synod has had only one full-time elected official, the president. In addition, he went on, the commission recommends a part-time treasurer for the new synod.

## TO FORM NEW CHURCH

Pastor Trunk said that the planning commission projects five major operational committees for the new Maryland Synod. They are: American missions, evangelism, parish education, social ministry and stewardship.

The new synod is part of a merger of four major Lutheran church bodies in America which is to be effected in Detroit, Mich., June 28-July 1, 1962. The new par-

ent body to be formed will be the Lutheran Church in America. It will combine the present American Evangelical, Augustana, United and Finnish Evangelical Lutheran Church bodies which have a total membership of 4.2 million in North America.

The new Maryland Synod will be one of 30 constituent units of the Lutheran Church in America. Pastor Trunk said that official formation of the new synod for Maryland will take place in Second English Lutheran Church, Baltimore, September 28-29.

## UNIQUE PROVISION

A unique provision of the new organization, he said, calls for a new group of clergymen and laymen at each biennial meeting of the Lutheran Church in America.

"At least one-third of all delegates, clergymen and laymen alike must never have officially attended any LCA convention," he disclosed. With the number of official delegates limited to 700 and a continual increase of ministers and congregations, it is expected that this system can continue indefinitely, he added.

Presiding at the three-day meet-

## President Returns To White House

WASHINGTON (AP) — President Kennedy flew back to the capital today from his birthday celebration and holiday in the Virginia countryside.

The presidential helicopter landed at the White House at 9:30 a.m. after a flight from Glen Ora, the Kennedy country place near Middleburg, Va.

Kennedy celebrated his 45th birthday at a dinner at Glen Ora Tuesday evening and spent Memorial Day there with his family.

ABINGDON, Va. (AP) — Alice Brown Hilton, the first wife of the late novelist, James Hilton, died Wednesday. She and Hilton were divorced in 1937 and he later remarried. He died in 1954.

ing of the 143rd annual convention of the Evangelical Lutheran Synod of Maryland was Rev. Dr. J. Frank Fife of Baltimore, who has been full-time president of the synod since 1947.

# FBI Will Trace Explosive That Disintegrated Plane Killing 45 Persons May 22

KANSAS CITY (AP)—The FBI has taken the job of finding the source of the explosive which ripped open a jet airliner over northeast Missouri May 22 and sent 45 persons to their death from 39,000 feet.

W. Mark Felt, in charge of the FBI office in Kansas City, declined to comment about the investigation. However, agents were known to be checking into the background of a passenger, Thomas G. Doty of Kansas City, who was reported to have about \$300,000 in insurance and faced charges of robbery and carrying a concealed weapon.

Doty, 34, was divisional sales manager for Luzier Inc. of Kansas City, a cosmetics firm, until March 20. He had worked about nine months with Mrs. Geneva Greenwood Fraley, 34, Kansas City district sales manager for Luzier. Officials said Mrs. Fraley had resigned, as of June 15, and they understood she planned to join Doty in an interior decorating, party goods and gift business.

## ONLY WOMAN ABOARD

Mrs. Fraley was the only woman passenger on the plane.

On April 23, about a month after he quit his \$650 a month job, Doty was arrested in Kansas City, Kan., in possession of a purse belonging to a woman who complained she was robbed by a man who got into her car when she stopped for a traffic light. Doty said he found the purse. He was charged with first degree robbery and carrying a concealed

weapon and was to appear for preliminary hearing on May 25, three days after the crash. The charge was dismissed after he died.

## MADE BURIAL VAULTS

For about three years, starting early in 1958, Doty headed a Kansas City firm which made burial vaults of glass fiber. He took voluntary bankruptcy after its plant burned in 1960.

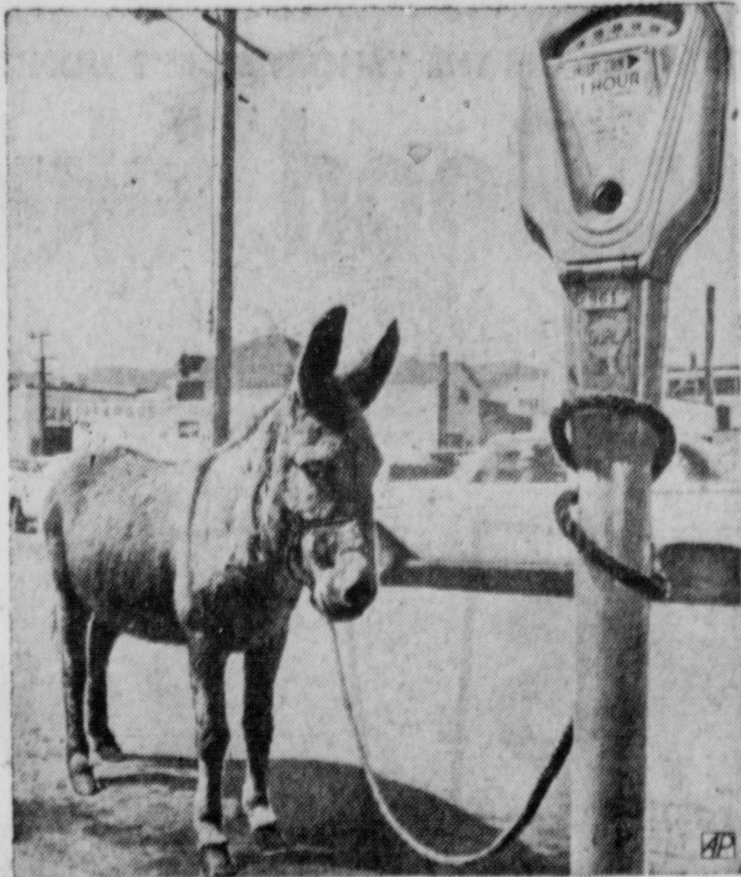

His widow, Naomi, is beneficiary of his insurance policies. They have a 5-year-old daughter and Mrs. Doty is expecting a second child in July. She said her husband went to Chicago to buy supplies for the new business.

Shifting of the inquiry to the FBI was signaled Tuesday night when George Van Epps of New York, chief of an investigating team for the Civil Aeronautics Board, said it determined the crash probably resulted from an explosion of dynamite or something similar in a lavatory near the tail of the plane.

## Pet Milk Acquires Laura Scudder's

ST. LOUIS, Mo. — The sale of Laura Scudder's, a subsidiary of Signal Oil and Gas Company, to Pet Milk Company was announced Wednesday by S. B. Mosher, chairman of the board of Signal and Theodore R. Gamble, president of Pet Milk.

foods in California, were acquired by Pet in a cash transaction. The amount was not disclosed.

Pet Milk Company operates more than 90 plants throughout the United States and in Canada. Its sales for the past year exceeded \$237,000,000. Pet's headquarters offices are in St. Louis, and its major divisions include the Milk Products Division, Dairy Division, C. H. Musselman Division (Biglerville, Pa.), Funsten Division, Frozen Foods Division, and Canadian Division. Laura Scudder's will be the company's seventh major division.

## NOVELIST IS PROTAGONIST

NEW YORK (AP) — Barnaby Conrad, who was once a secretary to Sinclair Lewis, has written a Broadway-bound play in which the central character is a ranking novelist.

"Dangerfield" is on the production agenda for next season of Roger L. Stevens and Herman Shumlin, who will double as the director.

Only two gray horses have won the Preakness. They were Baltimore in 1895 and Native Dancer in 1933.

# TWO MISSING YANKS SAVED FROM COMMIES

By ANTOINE YARED

VIENTIANE, Laos (AP) — Two U. S. military advisers, missing near Houei Sai since Sunday, were recovered by helicopter Wednesday as royal Laotian troops again were fleeing from pro-Communist forces on the outskirts of the town on the Laotian-Thai border.

Sgt. L. C. Virgil Murphy of Van Buren, Ind., and Sgt. Merle Loobey of Seattle, Wash., were picked up five miles northeast of embattled Houei Sai after search pilots saw red smoke bomb signals the two men set off.

A U. S. military spokesman said Murphy and Loobey were flown to Houei Sai, examined at Tom Dooley Hospital and pronounced in excellent condition. They returned to duty with royal forces in the Houei Sai area 200 miles northeast of Vientiane.

## WERE AT OUTPOST

The Americans were with Laotian troops at an outpost near Houei Sai when it was overrun by pro-Communist Pathet Lao forces Sunday. Unable to make their way back to Houei Sai, they hid in the jungle until they sighted the helicopters.

Government defenses only two miles outside Houei Sai were reported cracking under probing thrusts by the Pathet Lao.

Laotian Premier Prince Boun Oum and the dominant man in his government, Gen. Phoumi Nosavan continued their goodwill visit to the Philippines.

## U.S. ATTACKED

Filipino congressmen supported

President Diosdado Macapagal today in his attack on U. S. support for the neutralist faction of Laotian Prince Souvanna Phouma. Members of Macapagal's ruling coalition in the House of Representatives told the Philippine News Service the president's stand reflected a truly independent foreign policy.

At a luncheon honoring Boun Oum and Phoumi Monday, Macapagal condemned U. S. pressure to force Laos under neutralist rule. He labeled it "a species of sophistry that can only weaken the defense of the free world."

## INDIA PUBLISHES

MOSTLY IN ENGLISH NEW DELHI (AP)—Out of 21,076 books published in India last year, 9,361 were in English, reports the National Library in Calcutta.

Hindu, the most widely spoken of India's 14 official languages, accounted for 2,805 books and Bengali was third with 2,043 books.

## SERVES HIM RIGHT

BISBEE, Ariz. (AP) — A thief who took 120 shoes from a salesman's car in Bisbee wasted his time. The salesman told police all the shoes were for the right foot.

From 1921 through 1934 goldings were barred from the Preakness.

# U.S. WORKING ON SOLUTION TO ACCESSES

By JOHN M. HIGHTOWER

WASHINGTON (AP)—State Department officials are reported trying to work out a compromise formula to resolve differences between U. S. and West German proposals for negotiations with the Soviet Union over control of access routes to West Berlin.

Disagreement between the two allies is a handicap to the United States in continuing talks with the Soviet Union about the possibility of an East-West agreement to end the long dispute over Berlin's future.

Nevertheless, the Kennedy administration is resolved to press forward with the exploratory talks under way since last September.

## CALL AMBASSADOR

Secretary of State Dean Rusk called in Soviet Ambassador Anatoly Dobrynin for a Berlin conference Wednesday. Some informants said that in view of continuing allied differences the talk would necessarily be general in nature. There were reports, however, that Rusk is trying to get the Soviet government to agree to negotiate on the status of the access routes as an issue separate from problems involving the status of West Berlin itself.

# REFINE PROBLEMS

The purpose of this "de-linking" strategy is to try to define one or more problems which can be negotiated. The United States, Britain and France, as well as West Germany, repeatedly have declared that the Soviet demand that the Western powers agree to withdraw their forces from West Berlin and give it the status of a "free city" in the heart of Communist East Germany is totally unacceptable and therefore not negotiable.

Rusk has made clear to the Russians, however, that the United States is prepared to negotiate about the access routes and has suggested the creation of an international authority to control and operate the routes.

## GOOD DEED PAID OFF

PHOENIX, Ariz. (AP) — Business at a fund raising car wash operated by Girl Scout Troop 700 was slow until four automobiles collided in the street nearby.

The scouts ran to the scene of the pileup and began administering first aid to an injured woman. Passing motorists, noting the girls' fast action, began lining up to have their cars washed. The girls collected on 34 car washes for the day.

## CLARK LIKES HIS POST IN U.S. SENATE

By JOHN KOENIG JR.  
Associated Press Special Service  
WASHINGTON (AP)—Ask Sen. Joseph S. Clark, D-Pa., for comment on Pennsylvania's May 15 primary election and you get the jocular reply:

"What election?"  
On the surface this reaction has a ring of truth. For as far as Clark's own position goes the primary hardly was an election. He had no opposition in seeking the Democratic nomination to a second six-year term in the Senate.

But underneath his joking attitude, Clark is in dead earnest. He loves his job in the Senate and wants to keep it.

### NEVER STOPPED

And, to keep it, he will go all out in his campaign efforts. These will center around the record he has established as a liberal Democrat; his support of the popular, as he believes it to be in Pennsylvania, Kennedy administration, and his own efforts on behalf of programs in Washington of specific interest to Pennsylvania.

Officially, Clark never has stopped campaigning in the near six years he's been in office.

Not a year has gone by that he has not made a swing around the state—far from Philadelphia to capture the senatorial nomination in 1956.

### STANDS ON RECORD

On these swings he has appeared at labor union conventions, a strong source of Democratic support; housing and public welfare conferences have taken much of his time, and countless appearances at universities and colleges have kept him in touch with youth.

Clark has several times told his Republican rival for the Senate, Rep. James E. Van Zandt of Altoona, that he wants the campaign to be a clear one—based on the voting records of the two men, and with no mud-slinging.

And he is now letting it be known that he intends campaigning on his own apart from his running mate, Richardson Dilworth, the Democratic gubernatorial candidate.

### ITINERARY READY

The two can cover much more territory traveling separately, Clark believes—a position that could be interpreted also as indicating that Clark thinks each candidate should run on his own merits.

Keeping on the move even at this early date for the Nov. 7 election, Clark has set up this itinerary for early June:

June 1—dedication of new Harrisburg Post Office; June 2—Philadelphia; June 3—Gettysburg for regional conference of Young Democrats of Central Pennsylvania and Adams County Democratic organization reception; June 4—Tallentown-In-The-Poconos to appear at convention of Pennsylvania Federation of Democratic Women; June 5—commencement address at Bryn Mawr College; June 9—Washington for testimonial dinner for Matthew McCloskey; June 10—Pittsburgh to attend Forbes Field Democratic Rally.

LEVITTOWN, Pa. (AP)—Dr. Jules Fegelson, a 53-year-old dentist who practiced in nearby Bristol, suffered a fatal heart attack Wednesday while marching in a Memorial Day parade.

## Car Sticks in Mud And Driver Dies

MARIETTA, Pa. (AP)—William Brazile, 53, of Harrisburg collapsed and died of an apparent heart attack Wednesday while trying to free his car from a sandy bank along the Susquehanna River.

Dr. David E. Schollosser, deputy Lancaster County coroner, said Brazile and his wife, Mildred, were backing their boat into the river when the car became stuck.

Brazile was stricken minutes later. The body was taken to Lancaster General Hospital for an autopsy.

## SCOTT SPEAKS IN ALLENTOWN

ALLENTOWN, Pa. (AP)—U.S. Sen. Hugh Scott, R-Pa., says the tolling of the Liberty Bell that once sounded freedom throughout this country can be contrasted today to "the hand that strikes down the wretched behind the iron curtain."

Scott, standing on the spot where the Liberty Bell was once hidden from invading British troops, told a Memorial Day crowd Wednesday "No citizen escapes the responsibility of contributing to freedom."

"All of us," the senator said, "Must contribute heavily from our incomes in defense of our lands and in assistance of the friends of freedom abroad."

Scott spoke at the dedication of the Liberty Bell shrine in the basement of Zion's United Church of Christ.

The shrine, located where patriots hid the bell from the British in 1777, is built around a full-size copy purchased from the federal government.

Money for the project was raised by the Liberty Bell Shrine of Allentown, Inc.

Largest daily double payoff in Hollywood Park history occurred June 17, 1961 when Mintal and Free Fan scored victories. The husky haul was \$3,750 for \$2.

# 12 KILLED IN AIR CRASHES OVER HOLIDAY

RIPLEY, N.Y. (AP)—A crash on take-off and a collision of two airplane aircraft turned pleasure rides into tragic death for four children and two adults near this southwestern New York village Wednesday.

Three sisters perished in a fire that consumed an overturned private plane at the end of the grass-coated Ripley Airfield. A short time later in Sherman, eight miles southeast, two pleasure planes crashed 500 feet above a pasture and fluttered to the ground with three dead.

Killed in the take-off accident were Susan, 12, Barbara, 11, and Mary Elizabeth Vance, 5, daughters of Robert Vance, 36, of Ripley. The father and his brother, Harold Vance, 38, were burned severely and were in critical condition at Westfield Memorial Hospital.

## 2 THROWN CLEAR

The collision killed the Rev. Raymond C. Monroe, 47, owner of the Sherman Flying Club; Richard H. Keppel, 38, and his 10-year-old son, Scott Richard.

State police said Robert Vance

## Sun Oil Charges May Be Dismissed

WASHINGTON (AP)—A recommendation by a federal trade commission examiner for dismissal of charges that Sun Oil Co. of Philadelphia used predatory pricing practices in the Norfolk, Va., area was on its way today to the full commission.

At the same time, Examiner Robert L. Piper ruled Wednesday that Sun had illegally fixed the resale price of its "Blue Sunoco" gasoline by coercing dealers in Norfolk, Portsmouth and Virginia Beach into accepting "commission agreement agreements."

The FTC initiated the case five years ago.

The full commission can accept, reject or amend Piper's recommendation.

## DON DRYSDALE IS FOLLOWING DUAL CAREER

By BOB THOMAS  
AP Movie-Television Writer

HOLLYWOOD (AP)—Actor by day and pitcher by night is handsome young Don Drysdale, the Los Angeles Dodgers' moonlighting mound ace.

How does he do it? Easy, says he; baseball players are natural actors.

This confirms something long suspected by those of us who have watched those conspiratorial confabs between pitcher and catcher while the batter waits in wonderment. Pure ham.

**VETERAN ACTOR**  
Drysdale almost admits as much. He is the most experienced of the big-league actors, having

was at the controls of the plane at Ripley when it apparently was slowed during take-off by heavy grass. It failed to gain altitude and struck a pole at the end of the runway and ignited after crashing.

The two men were thrown clear of the wreckage in which the girls were trapped.

Investigators at Sherman said the right wing of the Rev. Mr. Monroe's plane struck the propeller of Keppel's plane, shortly after Keppel had taken off with his son for a ride. Keppel is survived by his widow and four daughters.

A spark from a lighted cigarette or cigarette lighter caused considerable damage to the 1950 Ford sedan of Edgar L. Hoff Jr. at 3:50 o'clock Tuesday afternoon. Hoff was driving out the Taneytown Rd. He was in the act of lighting his cigarette when a spark flew into the back seat where the cap and gown he will wear Sunday evening when he will be graduated from Gettysburg High School had been placed. Instinctively he reached back to tap it out and at the same time turned his head to see where the spark might be. His car wheeled across the highway, up a stone drain culvert and came to rest with its bumper a few inches from the 73rd Ohio monument. The memorial was not damaged but Hoff's car was badly damaged underneath and at the left front.

played such television shows as "Lawman," "The Millionaire" and "Rifleman." You can see him again tonight on "The Donna Reed Show."

So far Don has managed his double career with no trouble from the front office. And why not? One day last week he finished a role in an Alcoa Theater show starring James Stewart and directed by John Ford. He went home, caught a few hours' sleep, then went out to Dodger Stadium and pitched a four-hitter. You can't complain about that.

"I took radio speech at school, but no acting," he reported. "Don't need it. Baseball is pretty good training for an actor."

## OTHERS DO SAME

"You take a pitcher. He's got to stand out there on the mound and shake his head at the catcher's signals until the batter starts to think: 'Gee, just what is he going to pitch?' or, 'How many different pitches does he have, anyway?'"

Drysdale declared that some of his best baseball friends and opponents are actors.

"Talk about actors, there was Gil Hodges," said Don. "I roomed with him for six years, and boy, he could put on a better show than most comedians. I remember when we played Japan, he put on an act of imitating the catcher and the pitcher that was a riot. The Japanese ate it up."

Don conceded that Casey Stengel could win anybody's Oscar in the acting field. He also made a bow to the thespic talent of Willie Mays.

Besides his guest appearances on television, Don is making 52 eight-minute instruction films for the Little League set, which are now playing 34 television markets.

## REMAKING OF "HIT MOVIES" IS SLOWING DOWN

By BOB THOMAS  
AP Movie-Television Writer  
HOLLYWOOD (AP) — Hollywood's recent romance with remakes may be cooling off.

For a while there, producers were saying, "Why put out big money for new properties? Let's look in the vaults."

The argument looked good. Two of the three top money-makers—

"Ben-Hur" and "The 10 Commandments"—were remakes.

There is nothing new about re-doing old films "Alice in Wonderland" has had five film versions. "Quo Vadis" and "The Spoilers" have been turned out four times. "Romeo and Juliet" has also been made four times, not including the current "West Side Story" version.

THREE-TIMERS

The records show a host of three-timers: "Rose Marie," "Girl of the Golden West," "Hunchback of Notre Dame," "Anna Karenina," etc. The all-time champ may be "Les Miserables" with six versions.

With these precedents, producers have been filming more remakes than ever before.

The returns in the past year or so have not been too good. MGM got nicked on two big ones, "Cimarron" and "The Four Horsemen of the Apocalypse." Both had only fair success at the box office, not enough to offset their immense cost.

Two of Hollywood's great directors tried re-doing their old hits—William Wyler with "The Children's Hour" (formerly "These Three") and Frank Capra with "Pocketful of Miracles" ("Lady for a Day"). Despite lavish costs, both films were deemed old-fashioned and have failed to do big business.

STATE FAIR AGAIN

The third coming of "State Fair" has been drawing well, though perhaps not commensurate with its cost. "Sergeants Three" was a money-maker, though it was more a meeting of the clan rather than another "Gunga Din." "The King of Kings" has done well with the family trade, though it is far from doing De Mille business.

The urge to make remakes bigger than before is part of the cause for the bloated budgets of "Cleopatra" and "Mutiny on the Bounty."

## TWO KILLED ON P.A. TURNPIKE

BEAVER FALLS, Pa. (AP)—A car struck a guard rail on the Pennsylvania Turnpike Wednesday night, killing a man and a woman.

Four other persons suffered minor injuries in the crash five miles east of the Beaver Valley Interchange.

Harvey G. Austin, 22, the driver, of Lamont Furnace, Fayette County, Pa., and Mrs. DeLores Jaye, 24, a passenger of Pittsburgh were killed.

State police said it was raining when the car, traveling west, left the highway and hit the guard rail. A turnpike spokesman said the auto had two bad tires.

The other four passengers were treated at Providence Hospital in Beaver Falls and released. They are Larry Austin, 21, brother of the victim, also of Lamont Furnace; William Bouye, 18, of Pittsburgh; Henry Smith, 19, and his brother, Addison, 22 both of Cleveland.

The hospital said the Austin brothers were working in Cleveland as painters.

## A Lovelier You

By MARY SUE MILLER  
LIPSTICKS ON FILE. How many lipsticks do you have in your cosmetic wardrobe? If you use numerous shades, try housing them in a "color file." By the system you eliminate the nuisance of fumbling through the lot to find the one you wish to wear.

To organize a file, first supply yourself with a shallow plastic tray, large enough for lining up your lipsticks in rows. You also

need a dispenser of "invisible" magic tape, the kind that can be written on.

Working with one lipstick at a time, circle the cap with a narrow strip of tape. Next color the strip with lipstick and cover the color with a second strip of tape.

After marking all lipsticks rack them up on your tray. Presto, instant selection!

The system works equally well with eyeshadow and mascara. It comes in handy, too, for replacing labels on cosmetic jars and bottles, once they have worn off. Then you simply apply a strip of tape, ink in the label and cover with another strip. As the tape is not affected by water, any container it marks can be kept soap-and-water fresh.

Actually all cosmetic containers should be kept sparkling and be neatly stored, for the sake of a lovely skin and daintiness. Just as well-groomed clothes seldom come out of an untidy closet, a well-groomed face seldom comes from grubby containers.

For 50 ways to look lovelier, send for my leaflet, "INSTANT BEAUTY TIPS." It shows you how to overcome such annoyances as chipped polish, ragged lipline, straggly hair and even stuck zippers; also, how to create glamour willows with makeup and accessories. All in the wink of an eyelash! For your copy, write Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

## AT LEAST 28 DIE IN ITALY AS TRAINS HIT

MILAN, Italy (AP)—A freight train speeding across the Po River Valley rammed a standing express packed with vacationers bound for the Italian Riviera early today, killing at least 28 passengers.

Most of the injured and all of the fatalities at the scene feared the final death toll would reach 40 in Italy's fourth major train disaster since last December.

At least 60 persons were reported injured in today's crash at the Voghera train station, 30 miles south of Milan.

the dead were in the last two coaches of the 10-coach passenger train en route south from Milan to Genoa and Ventimiglia on the French frontier.

Police with blow torches cut into the twisted wreckage to reach the dead and dying. Doctors amputated the legs of a woman and a man pinned helplessly in the tangle of smashed steel.

Three hours after the wreck, an infant was found inside one wrecked coach alive and unhurt. The freight, pulling 40 empty petroleum tank and cement cars was bound for Genoa from Lecco on Lake Como and had left Milan a short time after the passenger train.

Police and railroad officials said it had not been established whether the freight engineer had run a signal which should have stopped him outside the Voghera station until the passenger train had departed.

The freight locomotive virtually sliced the rear coach in two. The impact also tore open the next coach.

A total of 87 persons died in four other Italian train wrecks in the past six months.

## BLOOM MAKES NEW CHARGES

HARRISBURG (AP) — Republican State Chairman George I. Bloom says Pennsylvania Democrats are trying to "brainwash" the public with false statements concerning the Commonwealth's business tax climate.

It was Republican opposition to Democratic tax programs rather than the Democrats themselves responsible for the decrease in the percentage of general fund revenues contributed by businesses, Bloom declared in a statement Wednesday.

"Furthermore," he added, "business, in dollars and cents, is paying more state taxes today than it did eight years ago."

Bloom's remarks stemmed from statements made by Lawrence in a political speech to Democratic women at Philadelphia. Lawrence credited the Democrats with improving Pennsylvania's tax climate.

Bloom called Lawrence's statements "downright false—achievements that exist only in the governor's mind."

In the last two years of the administration of Republican Gov. John S. Fine (1951-55), business paid about \$448 million or 45 per cent of the general fund revenues, the GOP leader noted.

Under the Lawrence administration, however, estimates call for \$280 million in business taxes for the 1962-63 fiscal year, or \$560 million on a comparable two-year basis, Bloom claimed.
